Heartsaver First Aid CPR AED

This course instructs on risk factors, good heart living, warning signs and signals for action. Basic First Aid: Adult, child and infant one rescuer CPR and choking are core skills. This class is targeted at lay rescuers such as families, friends, schools and the general public, businesses and recreational complexes.

Basic Life Support for Healthcare Professionals

This course combines both of the above mentioned levels and adds the core skill of 2-person CPR. A written and practical test are given at the end of the course. The target audience is health care providers, physicians, nurses, EMT's and paramedics.

Heartsaver First Aid Training

The Heartsaver First Aid course trains participants first aid basics for the most common first aid emergencies, including how to recognize them, how to call for help, and how to perform lifesaving skills.

What does this course teach?

- First aid basics
- Medical emergencies
- Injury emergencies
- Environmental emergencies
- Preventing illness and injury

- CLASS LOCATION -

CFPD STATION NO. 1
